EXAMINER'S COMMENT

1. The Information Disclosure Statement filed June 21, 2006 has been considered and made of record.

2. However, the citation referenced as "Cite No 5," page two, has been "lined-through" because the entry was unavailable, that is,

Publication Number 20050760420, Stakutis et al.,
does not exist in the Patent (including PGPUB) database.

3. It is believed that this publication could not be found in the Patent database because the citation listing contains a typographical error.
